Dear Mrs. Krause:

Thank you for your letter of 6 July 1967 explaining the production status of NIS sections on which you expect early delivery in Fiscal Year 1968.

I am aware that the task of producing and coordinating the various subcontributions to the Agriculture sections is a difficult and complex one, and I sincerely appreciate the excellent efforts made by you and your staff during the past fiscal year toward meeting your NIS commitment. Please convey my thanks also to Dr. West for his important assistance in this matter.

Sincerely,
